

Agenda – ChitoWound meeting Crete

September 26th-27th 2017 **IMBB FORTH Crete**

General: The meeting will be focused on results, plans, materials and dissemination.

In addition to presentations of status on results and plans (morning session) we ask that each partner present 1-2 ideas for publications, including answering these questions: 1) Where are we now? 2) What else do we need, and when can this be done? 3) How can other partners contribute? "Bonus": Other forms of dissemination, e.g. conferences. We take a separate session for dissemination.
